RUNNING LATE? LEAVING EARLY?

Bring a note to the attendance office! Include your full name, grade, time, date, and reason with a parent's signature. Please turn in the note either before school or during lunch.

If you turn in a note before your early dismissal, parents can pick up students from the front of the school (no need to come in)!

Student Athletes you must attend at least HALF of a school day in order to participate in practice or a game.

HOME SICK?

Parents please call attendance or send in a note the day your child returns to excuse an absence.

Remember, students are NOT allowed to have medications or cough drops in their backpacks. They must be turned into the clinic by a parent.

THE SCHEDULE

Godwin uses block scheduling. Period 1 is every day. Periods 2-7 alternate every other day. All students have study hall/homeroom every day after lunch. It's not as complicated as it seems--you'll get used to it quickly!

A NOTE FROM COUNSELING...

The Mills E. Godwin School Counseling Department provides a nurturing, welcoming environment that strives to ensure all students have access to academic, career, and personal/social counseling. This can happen through core curriculum lessons, a small group, or individual counseling. Please reach out to your child's school counselor to discuss any concerns or ways we can assist your child. Additional information is available at: <http://blogs.henrico.k12.va.us/godwincounseling/>.

Whereas Assistant Principals are assigned by grade level, School Counselors are assigned alphabetically so if you have more than one child at Godwin your students will have same Counselor.
